TALL SHIPS RACES; A LIFE CHANGING EXPERIENCE BEYOND IMAGINATION

After a short break Antwerp Flyer participates again in the Tall Ships Races. The Tall Ships Races is a annual international youth sailing event, which brings young people aged 15 - 25 years from around the world together. Each year new and exiting harbors host the event. In all of these harbors the sky is the limit when organizing four days of absolute fun and excitement. In-between the different ports there is a race or a cruise-in-company .

More than 55 ships will participate. Each of them brings a little bit of culture with them that they absolutely want to share this with you. The ships are divided into 4 categories, you have the A - Class Ships (Tall Ships), the B-class ships (small traditional vessels), the C-class ships (modern yachts without spinnaker) and the D-class vessels (modern yachts with spinnaker).
